ENTRY REQUIREMENTS

Applicants with an education of the appropriate level, confirmed by a document on secondary general education or a document on vocational secondary education and qualifications, or a document on higher professional education, confirmed by the assignment of the qualification are allowed to master the educational program.

APPLICATION

Application for acceptance of documents for enrolment (by mail).

Consent to the processing of personal data of the applicant.

Letter of consent

Identity document, citizenship.

Academic degree

Documents confirming the individual achievements of the applicant.

An agreement on the provision of paid educational services (for admission on a contractual basis).

PROGRAM STRUCTURE

In the 1st year, the study of basic disciplines allows students to get an idea of the chosen specialty and future profession. During the 2nd-5th years, the study of branch legal disciplines (criminal, family, civil, administrative and other branches of law) and disciplines of specialization (fingerprint expertise, trace expertise, food expertise, etc.) creates a solid foundation for the formation of professional competencies. Practical training is envisaged from the 2nd until the 5th year.

The training ends with the defense of the graduation qualification work.

CAREER OPPORTUNITIES

Graduates can work in state (in the expert departments of the Interior Ministry, Investigation Committee IC, Federal Security Service FSB, and Federal Customs Service FCS) and non-state expert organizations.
